

**POST OF PROJECT DEVELOPMENT OFFICER (ON ASSIGNMENT BASIS)
- “ENVIRONMENT & DEVELOPMENT CONSULTANTS (EDCON),
UNIVERSITY OF KELANIYA”**

The Faculty of Science of the University of Kelaniya has developed considerably its infrastructure and currently it is equipped with the facilities that can be utilized to serve the industrial and community needs.

In order to extend professionally the knowledge and skills of the academia of the Faculty of Science to the industry and the community, a “University-Industry-Community Interaction Cell”, named as “**ENVIRONMENT & DEVELOPMENT CONSULTANTS (EDCON), UNIVERSITY OF KELANIYA**” has been established in the Faculty of Science of the University of Kelaniya with assistance from the University Grant Commission.

Applications are invited from prospective candidates for the post of Project Development Officer of EDCON. The major responsibilities of the Project Development Officer are to develop various projects to provide individuals, organizations (both public and private sector) and small and medium sized enterprises, with cost effective services and consultancies for ensuring sustainable development at national and international levels.

Academic and other qualification:

The applicant should be a graduate from a recognized university. The postgraduate qualifications in a field of natural sciences and at least 10 years of experience in consultancy work are preferable.

The prospective applicants should possess the leadership qualities and innovative ideas.

Salaries are negotiable.

Applications are invited from the persons with above qualifications. Please send a self-prepared application with a CV to reach me on or before 15th October 2008.
